

basic marketing research 6th pdf

Marketing research is "the process or set of processes that links the producers, customers, and end users to the marketer through information used to identify and define marketing opportunities and problems; generate, refine, and evaluate marketing actions; monitor marketing performance; and improve understanding of marketing as a process. Marketing research specifies the information required ...

Marketing Petroleum Products In Nigeria - Associated Problems

By its name, the mixed research design is the combination of the two opposite methods, qualitative and quantitative research methods. This research method emerged as a third methodological movement in educational research as an attempt to went beyond the quantitative versus qualitative arguments (Teddlie & Tashakkori, 2003).
