First, a quick summary of what you will learn in this lesson: 1. Align the edge of the compass with the starting and finishing point. 2. Rotate the compass housing until the orienting arrow and lines point N on the map. 3. Rotate the map and compass together until the red end of the compass needle points north. 4.

Using the compass alone I WO West. Look

The Compass is designed to assist you, the discipler, in becoming a wise and helpful guide to another younger believer. Each lesson is written directly to you, the discipler, not to your disciple. There are no lessons to hand out, no blanks to fill in. Rather, there is information for you to read, internalize, prepare, and present to your disciple.

How To Use The Compass - Cru

The installation process could take 20 minutes or more to complete depending on where the Compass Server

is located. Installation on the first Compass Client should take less than 20 minutes if it is in the same location (store) as the Compass Server. Each additional client will take about 10 minutes.
