In late 2015, I saw a book in Barnes and Noble (Written in my Own Heart's Blood) by Diana Gabaldon and thought "This sounds amazing." I picked it up (and it was nearly 1000 pages in hardcover) and suddenly realized it was the most recent book in a series with books that were all practically a thousand pages long.

Volume One of the OC is an updated and revised version of the original, single-volume OUTLANDISH COMPANION, first published in 1999. By 2015, there were four more novels in the main OUTLANDER series (and quite a few other related books, to boot), so a second volume of the OC was added, a project which took several years.
