Green anarchism (or eco-anarchism) is a school of thought within anarchism which puts a particular emphasis on environmental issues. A green anarchist theory is normally one that extends anarchist ideology beyond a critique of human interactions, and includes a critique of the interactions between humans and non-humans as well. This often culminates in an anarchist revolutionary praxis that is ...

Green anarchism - Wikipedia

Anarchism is a political philosophy that advocates self-governed societies based on voluntary, cooperative institutions, rejecting unjust hierarchy. These institutions are often described as stateless societies, although several authors have defined them more specifically as institutions based on non-hierarchical or free associations. Anarchism holds capitalism, the state, and representative ...
