Origins. According to scholars, one of the earliest mentions of puja is in the Grihya Sutras, which provide rules for domestic rites. These Sutras, dated to be about 500 BC, use the term puja to describe the hospitality to honor priests who were invited to one's home to lead rituals for departed ancestors.

A ritual is a sequence of activities involving gestures, words, and objects, performed in a sequestered place, and performed according to set sequence. Rituals may be prescribed by the traditions of a community, including a religious community. Rituals are characterized but not defined by formalism, traditionalism, invariance, rule-governance, sacral symbolism, and performance.
