Old Marblehead Sea Captains and the Ships in Which They Sailed

Tania Aebi (born October 7, 1966) is an American sailor. She completed a solo circumnavigation of the globe in a 26-foot sailboat between the ages of 18 and 21, making her the first American woman and the youngest person (at the time) to sail around the world. Despite many challenges, she accomplished her goal and proved to her father that she could complete something.
