Illegitimacy: the shameful secret. Illegitimacy was a classless phenomenon; these children were born to people from all walks of life. "The couple might have been in a stable relationship but not married, they might have intended to marry but didn't because the man died, went to prison or into the army.

### **Illegitimacy: the shameful secret | Life and style | The**

While legitimate children were seen as the property of the father, illegitimate children were seen as the property of no one. Such a child was nullius filius and had no legal relationship with his or her parents. The early bastardy laws were aimed at preventing illegitimate children from becoming a charge on the community and attempted to do so by punishing the unmarried mother and the reputed father, and charging either the mother or both for the relief of the child.
