

index to periodical articles pdf

Periodical literature (also called a periodical publication or simply a periodical) is a category of serial publications that appear in a new edition on a regular schedule. The most familiar example is the magazine, typically published weekly, monthly, or quarterly. Newspapers, often published daily or weekly, are, strictly speaking, a separate category of serial.

Periodical literature - Wikipedia

A column is a recurring piece or article in a newspaper, magazine or other publication, where a writer expresses their own opinion in few columns allotted to them by the newspaper organisation. Columns are written by columnists.. What differentiates a column from other forms of journalism is that it is a regular feature in a publication “ written by the same writer or reporter and usually on ...
