## **The Options Approach to Capital Investment**

Investment or investing means that an asset is bought, or that money is put into a bank to get a future interest from it. Investment is total amount of money spent by a shareholder in buying shares of a company. In economic management sciences, investments means longer-term savings. It is a term used in business management, finance and economics, related to saving or deferring consumption.

## **The role of Budget Classifications in budgetary reforms**

Participatory budgeting (PB) is a process of democratic deliberation and decision-making, in which ordinary people decide how to allocate part of a municipal or public budget. Participatory budgeting allows citizens to identify, discuss, and prioritize public spending projects, and gives them the power to make real decisions about how money is spent.. PB processes are typically designed to ...
