One of the reasons for the success of Jumanji: Welcome to the Jungle™ is the fact that this installment is not a remake but rather a stand-alone sequel to the original flick. In that way, the creators have completely reimagined the script and the storyline doesn't try at all to copy the events of the previous film.

â€˜Jumanjiâ€™™, released in 1996, has been highly successful. It is an entertaining, action-packed movie. The fantasy sequences involving jungle scenes were created using computer-generated imagery, giving the film breathtaking special effects! Robin Williams, who plays Alan, has great charisma and a crazy, out-of-control humour that appeals to all ages.
