After years struggling to become known in England, the band rose from obscurity when their song "Beauty's Running Wild" was featured in an episode of CSI: New York.. The band were soon signed to Atlantic Records' Chop Shop Records label, which has been successful in getting previously unsigned bands heard through song placements in popular TV programs.

Scars on 45 - Wikipedia

A scar is an area of fibrous tissue that replaces normal skin after an injury. Scars result from the biological process of wound repair in the skin, as well as in other organs and tissues of the body. Thus, scarring is a natural part of the healing process. With the exception of very minor lesions, every wound (e.g., after accident, disease, or surgery) results in some degree of scarring.
