Only Bowman's two in-depth comparative cases allow him to understand why such studies of the relationship between militarization and development are ...

Militarization, Democracy, and Development: The Perils of

Democracy and development Is democracy inherently a good thing? And do democratic institutions facilitate economic development? It appears reasonable to answer the first question affirmatively: democracy is a good thing because it facilitates free human choice and it furthers the good of political participation. But the answer

Democracy and development - University of Michigan

Democracy and Development: A Complex Relationship by Pranab Bardhan University of California at Berkeley I Most of us, ardent democrats all, would like to believe that democracy is not merely good in itself, it is also valuable in enhancing the process of development. Of course, if we take a suitably broad concept of development to incorporate ...
