Pony car is an American class of automobile launched and inspired by the Ford Mustang in 1964. It broke all post-World War II automobile sales records, "creating the 'pony car' craze soon adopted by competitors." The term describes an affordable, compact, highly styled car with a sporty or performance-oriented image.

Rated 5 out of 5 by Madjack from Great welder at great price from Jegs. Am using this welder for 1/8" tube steel and plug welds. Very pleased with the quality of welds. There is not a lot of info in the manual regarding what settings to use, so you need to go on line and use charts from other mig 180s to get a starting point for amperage and wire speed settings.
