The dramatic events of the financial crisis in the late 2000s transformed the UK financial services industry. Long established institutions went out of business, others were forced into takeovers and only the intervention of governments worldwide - courtesy of eye-watering financial recovery packages - prevented the banking industry from implosion.

My heart pattered with fear when I touched down in Sydney way back in 2008. That was the first day of my yearlong round the world trip. With very little information online about long-term travel back then, I set out to document my trip, but also share all the practical details, too. For nearly a decade, I have used this page to share all the nitty gritty details of planning world travel and ...
