Don't wait around for obvious signals that she likes you because all women show their interest in slightly different ways! If you're talking to a woman that you like and she touches her hair, smiles and you and maintains eye contact, it doesn't always mean that she's signalling her sexual interest in you.

IÄd like to share some things IÄve learned about women from the relationships IÄve had. A lot of that experience comes from Eastern European girls, who are more feminine than American girls, but I believe the true nature of women is the same no matter where you go, lurking underneath regardless of outward presentation and behavior.. 1.
