

### **national curriculum assessment a pdf**

National Curriculum assessment usually refers to the statutory assessments carried out in primary schools in England, colloquially known as SATs. The assessments are made up of a combination of testing and teacher assessment judgements, and are used in all government-funded primary schools in England to assess the attainment of pupils against the programmes of study of the National Curriculum ...

A national curriculum is a common programme of study in schools that is designed to ensure nationwide uniformity of content and standards in education. It is usually legislated by the national government, possibly in consultation with state or other regional authorities.. National curriculum assessment generally means testing of students as to whether they meet the national standards.
