Algorithmic trading is a method of executing a large order (too large to fill all at once) using automated  
pre-programmed trading instructions accounting for variables such as time, price, and volume to send small  
slices of the order (child orders) out to the market over time. They were developed so that traders do not  
need to constantly watch a stock and repeatedly send those slices out manually.

Coomera has long been earmarked as a new satellite growth suburb, similar in many ways to Robina. With  
Australia's biggest and most popular theme park, Dreamworld and location of the Big Brother Australia  
house, and plans for a TAFE, a university campus and Queensland's biggest shopping centre around the  
existing station, Coomera has been predicted to grow considerably beyond its present size.
