The Development of English Literature (Summary) Old

Because Britain was a colonial power the use of English spread through the world, and from the nineteenth-century in the United States, and later in other former colonies, major writers in English, including Nobel laureates, began to appear beyond the boundaries of Britain and Ireland.

British literature - Wikipedia

English literature - The Romantic period: As a term to cover the most distinctive writers who flourished in the last years of the 18th century and the first decades of the 19th, "Romantic" is indispensable but also a little misleading: there was no self-styled "Romantic movement" at the time, and the great writers of the period did not call themselves Romantics.
