and importance. Although we deal with both factors, one of them is the basic paradigm through which we view our time and our lives. The fourth generation is based on the "importance" paradigm. Knowing and doing what's important rather than simply responding to what's urgent is foundational to putting first things first.

always looking at one's self through the eyes of others, of measuring one's soul by the tape of a world that looks on in amused contempt and pity. One ever feels his twoness, "an American, a Negro; two souls, two thoughts, two unreconciled strivings; two warring ideals in one dark body, whose dogged strength alone keeps it from being torn asunder.
