

roots of nationalism in pdf

Nationalism is a political, social, and economic ideology and movement characterized by the promotion of the interests of a particular nation, especially with the aim of gaining and maintaining the nation's sovereignty (self-governance) over its homeland. Nationalism holds that each nation should govern itself, free from outside interference (self-determination), that a nation is a natural and ...

Nationalism - Wikipedia

State nationalism is a variant of civic nationalism, often (but not always) combined with ethnic nationalism. It implies that the nation is a community of those who contribute to the maintenance and strength of the state, and that the individual exists to contribute to this goal.
