The Literature of California is a landmark publication—unmatched by any existing collection and distinguished by its breadth, variety of sources, and historical sweep. The editors have been refreshingly inclusive and imaginative in their selection: some of the writers are internationally known, others are anthologized here for the first time.

The Literature of California: Writings from the Golden

The idea of a California canon, as we have discussed, is truly controversial. IS there such a thing, many writers, and literary critics, may ask, yet, the fact is that for near ly one hundred years, California writing has been compiled and collected and presented as a unique body of literature.
