Public Service Values CPMR 39

The Office of the Public Advocate is committed to public service in representing Maine utility consumers in any matter that is covered by the authority of the Public Utilities Commission, as well as proceedings before state and federal agencies and courts, so that they have affordable, high quality utility services.

Maine Office of the Public Advocate

A value network is a business analysis perspective that describes social and technical resources within and between businesses. The nodes in a value network represent people (or roles). The nodes are connected by interactions that represent tangible and intangible deliverables. These deliverables take the form of knowledge or other intangibles and/or financial value.

OVERVIEW Legislation enacting the California Public Records Act (hereinafter, "CPRA") was signed in 1968, culminating a 15-year-long effort to create a general records law for California.

Summary of the California Public Records Act 2004

A public university is a university that is publicly owned or receives significant public funds through a national or subnational government, as opposed to a private university. Whether a national university is considered public varies from one country (or region) to another, largely depending on the specific education landscape.

Public university - Wikipedia

The provision imposes a monetary limit of \$99.99 for gifts between a public official or state employee and his or her supervisor. This limit is a per-gift—not a per-year amount.
