Scientism is an ideology that promotes science as the purportedly objective means by which society should determine normative and epistemological values. The term scientism is generally used critically, pointing to the cosmetic application of science in unwarranted situations not amenable to application of the scientific method or similar scientific standards.

The "Clone Saga" or "Spider-Clone Saga" was a major story arc in Marvel Comics which ran from 1994 to 1996 involving many clones of Spider-Man. The story is one of the most controversial Spider-Man stories ever told. Although it was intended to wrap up in less than a year, the comics sold very well and the writers were encouraged to prolong the saga as long as possible.

Original Post: I love to collect words. Making word lists can help to find the voice of my story, dig into the emotion of a scene, or create variety.. One of my on-going word collections is of colors. I love to stop in the paint section of a hardware store and find new names for red or white or yellow.

"A pleasure is full grown only when it is remembered. You are speaking, HmÄ•n, as if the pleasure were one thing and the memory another. It is all one thing. The sÄ©roni could say it better than I say it now. Not better than I could say it in a poem. What you call remembering is the last part of the pleasure, as the crah is the last part of a poem. When you and I met, the meeting was over very ...
